Using the Catalog, Requesting Items

*You can request items from other MDC campuses by clicking the request link.

1. Start your search.

2. If you see an item in your results you would like to request, select “Place a Hold”

3. Enter your Borrower ID (Miami Dade student ID #) and PIN/Password (last 4 digits of student ID #),

4. Select the campus where you would like to pick up your item, then click on the “Place Request” button
*You can also request items from other community colleges or universities in Florida

1. From your results page, select either the “Search Other Fl Academic Libraries” link at the bottom of the “Narrow Results By:” menu on the left:

   ![Search Other FL Academic Libraries]

2. Or the link to UBorrow under the search box of the results page:

   ![UBorrow Button]

3. To request an item from your extended search to be sent to your campus, click on the UBorrow button:

   ![UBorrow Button with Solar Power Book]

4. Then follow the same login and select pickup location steps from the “Place a Hold” instructions on the previous page.
*Or you can also request items from many other libraries*

*Please note, this is for books and articles NOT available through Florida colleges or universities*

1. From the library homepage, go to the “Research Tools and Services” section and select “Inter-campus and Interlibrary Loan”

2. Then select “Place an ILL request with a Librarian”

3. Fill out the form with the required information and submit request.
